Subject: Your e-mail dated 20 January 2011 - CHAP(2010)02189

Dear Ms Morriello,

Thank you very much for your e-mail dated 20 January 2011 in which you inquire about the status of the treatment of your complaint which was registered here under reference CHAP(2010)02189.

Given that the various supplements to your initial complaint all have to be translated and given that one of the co-complainants has made a petition to the European Parliament which concerns a number of the issues raised by the complaint and on which the European Parliament requested the European Commission to comment, you will understand that the analysis of your very large complaint will necessitate some more time.

Yours faithfully

Jackie MORIN
